About Registered School Information

What does it do?

This application allows users to view information (addresses, contacts, grade ranges, etc.) on Local Educational Agencies (LEAs), schools and Institutions of Higher Learning (IHL) known to the Alabama Department of Education (ALSDE).

Who can use this application?

All users (public and those internal to ALSDE) can access this application via the ALSDE website (<https://www.alsde.edu>) and authorized ALSDE and LEA users can access the application through the Application Portal.
